EDS

Rules, terms and conditions

Version 2026-2027 | Updated: September 2026

ENGLISH VERSION

EDS conditions of participation

Registration confirms that the parent or guardian has read these conditions and agrees to follow them, subject to applicable law.

1. Program, eligibility and confirmation

- Age categories are set by year of birth and program year. The applicable category is updated at the start of a new calendar year for any new course. A course that began in 2026 keeps its category until it ends.
- Placement in a group, field or level is decided by the Club and may change for safety, balance and player development.
- Registration and any course change are subject to available places.
- The group list, field number and schedule are normally emailed one to two weeks before the course starts. The parent must check this information and keep contact details up to date.

2. Schedule, venues and cancellations

- Fall and winter activities normally take place indoors at the Saint-Laurent Sports Complex; summer activities normally take place outdoors at Marcel-Laurin Park.
- Sessions may be cancelled. A cancelled indoor session may be made up during the season when possible. An outdoor session cancelled because of weather or field condition is not normally made up.
- Dates, times, fields, facilities and coaches may change according to availability or operational needs. Rights provided by law remain applicable to any part of the service that cannot be provided.

3. Arrival, field access and departure

- The player must arrive on time, ready to take part, and may not enter the field more than five minutes before the session.
- Players may not practice with balls on the field before or after their session.
- Parents, guardians and spectators may not enter or remain on the field without a supervisor’s authorization.
- The parent or authorized person must pick the child up on time, in the basement next to office S-015, in the designated area, not on the field.

4. Attendance, lists and groups

- Regular attendance is expected. Absences should be reported when possible.
- Players are placed in colour groups. Lists are posted at the entrance to each field.
- The parent must check the group before arriving and the player must take the matching bib before entering.
- For U7 and older, groups may change according to level of play. Requests for a specific group or coach are not guaranteed.

5. Uniform, distribution and equipment

- The full official uniform is required at every session once it has been issued. One EDS uniform is provided per participant per program year.
- Distribution is normally 30 minutes before the session, in the basement next to office S-015, or as otherwise instructed.
- The uniform includes a jersey, shorts and socks. Soccer shoes suited to the surface and shin guards are mandatory and are not included.
- Only a labelled water bottle may be brought onto the field. Jewellery, gum, coats, bags and spare shoes are not allowed there.

6. Change rooms, health, safety and emergencies

EDS

- Change rooms are in the basement at the end of the corridor leading to the fields. Players must use only the assigned change room.
- The parent must tell the Club any relevant medical condition, allergy, limitation or emergency measure.
- The player must not take part if ill, injured or unable to do so safely.
- Staff may stop participation, provide reasonable first aid and contact emergency services when necessary.

7. Conduct and discipline

- The EDS Code of Conduct is part of these conditions.
- The Club may temporarily remove a participant when behaviour presents a risk or disrupts the program.
- Disciplinary measures are proportionate. A serious incident may lead to immediate suspension.

8. Cancellations, credits and transfers

- The EDS refund, credit and transfer policy applies to all requests.
- Missing a session is not automatically a cancellation of the contract.
- Voluntary credits and transfers offered by the Club add to legal rights and do not replace them.

9. Media, online conduct and personal information

- Consent to promotional use of photos or videos is requested separately and is not a mandatory condition of participation.
- Participants and families must not publish offensive, threatening or defamatory content about EDS, staff or participants.
- Personal information is collected and used only for the purposes stated by the Club.

10. Facilities, damage, personal items and liability

- Participants must respect facilities, uniforms and equipment.
- The Club is not responsible for lost, stolen or forgotten items.
- Nothing in these conditions excludes liability that cannot be excluded by law.

11. Acceptance and document order

- These conditions, the Code of Conduct, the refund policy and the specific course information together form the EDS rules.
- If there is a conflict, applicable law prevails.

Primacy of the law — This policy complements rights under applicable Québec law and does not limit them. If there is a difference, the law prevails.
